ABSTRACT.

Petitioner states that:—

His Highness the late Maharajah granted certain land as Inam to his father and that, during the Survey Settlement of the Nelle Cultivation it was brought under Kharab. He has ever since been suffering yearly a loss of Rs 90/-. He presented a petition on the subject to Survey Superintendent. On the 27th March 1891 the Amildar of the Mysore Taluk communicated to the Petitioner the following order of the Survey Superintendent:

"The land in question has been recently confirmed as

as Inam to the Petitioner
The land has been the bed
of the tank, and it is now
entered as tank and brought
under Kharab. Though the
tank is breached, there are
garden lands below it, and
this land is lower than the
east of the bed of the tank
If it is to be assessed, the
garden lands below the
tank should be assessed
at a lower rate. It is,
therefore, most desirable that
the bed of the tank should
be assessed and continued
as Inam."

The petitioner urges:—
(1) The land should not be
brought under Kharab, as
he has ~~the right of having~~
cultivated it ever since the
time of the grant up to the
commencement of the survey
operations.

(2) The land was not resumed
acquired as Inam. He has
been representing in his petitions
that it was granted to his ancestor
by the Nizam the late Sikandar Jah.

Petitioner prays that the
land may be confirmed to him
as Inam as before.
